

Workplace Health & Safety Policy Statement

A1 Tree Services recognises the right of every employee to be able to perform their job task in a safe manner.

A1 Tree Service will establish and maintain a completely safe working environment at all Client's sites for our employees, other Contractors and Client personnel.

The Management of A1 Tree Service is committed to establishing and maintaining a working environment that is safe and without risk to health for all employees.

This objective will be realised and maintained by application of the following principles.

1. Maintenance of the requirements of the Tasmanian Workplace Health and Safety Act 2012, as a minimum standard.
2. Observance at all times, of Client Rules and Regulations, through induction, training and support of client Health & Safety management initiatives.
3. Prompt reporting and investigation of all accidents and incidents thus leading to ongoing development of the health & safety management system.
4. Continuous development of Workplace Health & Safety procedures and operating instructions.
5. Provision of safe plant, equipment and systems of work.
6. Promotion of health and safety awareness through training of employees in all aspects of health and safety including health and safety procedures and plant and equipment operation.

All employees have a responsibility for their own health and safety and that of their work colleagues.

A1 Tree Services supports the Trade Union movement in their participation in the area of Workplace Health & Safety.
