

Environmental Management Policy Statement

A1Tree Services will act in a responsible manner to protect the environment in such a way that is acceptable to the community and that any adverse effects on the environment are reduced to a practicable minimum.

As such A1Tree Services will:

1. Carry out all activities in such a manner that provides consideration of the environment and the health and well being of those involved.
2. Provide the most appropriate technology products and equipment to protect the environment and personnel.
3. Review new developments aimed at further reducing environmental impact and improving personnel safety.
4. Cooperate with relevant authorities and clients to meet statutory and contractual requirements.
5. Ensure that materials used are stored, applied and disposed of so as they do not cause unacceptable effects on the environment or personnel.
6. Develop and maintain procedures, which minimise environmental damage and enhance personnel health and safety.

This Statement is directed at all personnel, in that every individual is responsible in providing a healthy, safe and environmentally clean work place.
